

REMARKS

In the above noted amendment, applicants respectfully submit amended Figs. 4 and 5 as replacements for original Figs. 4 and 5 filed herein. A brief inspection will reveal, however, that no new matter is included in these amended figures, and it is therefore respectfully requested that these amendments be entered and that these drawings be included in this application prior to its publication. If, however, for any reason the Examiner does not believe that such action can be taken, it is respectfully requested that the Examiner telephone applicant's attorney at 908-654-5000 in order to overcome any objections thereto.

Finally, if there are any additional charges in connection with this amendment, the examiner is authorized to charge applicant's deposit account no. 12-1095.
